

# Make a Difference - Plant a Tree

*Discount Trees Available to Beautify Yards, Replace the Canopy*

The fall season is a good time to plant trees. Takoma Park residents can help replenish the aging tree canopy and take advantage of an incentive. The City will contribute \$100 towards the first tree purchased. Residents can have a 2" diameter tree installed by the City's landscape contractor for \$120 plus 6 percent sales tax, for a total of \$127.20.

Additional trees will cost \$220 plus 6 percent sales tax. The trees are warranted for one year. The \$100 discount is not available for a tree required by a tree removal permit replanting agreement.

Residents can select a tree(s) from the following seven tree species: swamp white oak, willow oak, bald cypress, black gum, American linden, London Plane and river birch (single stem). Trees can be ordered through October 19. A limited number of grants are available for low- to moderate- income homeowners. In selecting a tree planting location, make sure to keep in mind the eventual size of the tree and pay

attention to underground/overhead utilities, building foundations and walkways/sidewalks. Use the Right Tree Right Place principle for tree location selection: <https://bit.ly/2TDUpjD>. After your order has been received, the City's Urban Forest Manager will notify you of the planting date/time.
